REQUEST FOR H1N1 INFLUENZA VACCINE

Important H1N1 vaccine supply and ordering information

- H1N1 influenza vaccine is only available in 100 dose minimum orders.
- H1N1 influenza vaccine orders must be in 100 dose increments.
- H1N1 influenza vaccine is available in:
 - Multi-dose vials, supplied as cartons of 10 individual packaged multi-dose vials.
 - Single dose syringes, supplied as cartons of either 20 trays of 5 syringes or 4 packs of 25 syringes.
 - Single dose intranasal sprayers are supplied in cartons of 10 sprayers.
- H1N1 vaccine orders include clinic supplies.
 - Each 100 dose order of multi-dose vials includes a Multi-Dose Vial Clinic Supply Kit. This kit includes 100 single use integrated administration needle and syringe units (Sterile, Single Use, Safety engineered, 1ml or 3ml, 23 or 25 gauge, 1.0 or 1.5 inch), 10 Integrated transfer needle and syringe units (Sterile, 5ml, suitable for aspirating adjuvant and transferring it to the multi-dose vaccine antigen vial), 100 Isopropyl alcohol prep pad (individually sealed), 100 vaccination cards, and a sharps container.
 - Each 100 dose pediatric (0.25mL) syringe order includes a Pediatric Pre-Filled Syringe Clinic Supply Kit. This kit includes 100 needles (FDA approved, safety engineered, sterile, luer lock, 25G, 1 inch), 100 Isopropyl alcohol prep pad (individually sealed), 100 vaccination cards, and a sharps container.
 - Each 100 dose adult (0.5mL) syringe order includes an Adult Pre-Filled Syringe Clinic Supply Kit. This kit includes 100 needles (FDA approved, safety engineered, sterile, luer lock, 23 or 25G, 1.0 or 1.5 inch), 100 Isopropyl alcohol prep pad (individually sealed), 100 vaccination cards, and a sharps container.
 - Each 100 dose intranasal sprayer order includes 100 vaccination cards.
