

H1N1 FLU VACCINE AVAILABILITY IN KITSAP COUNTY

2/25/10

Effective Monday, December 14th, 2009, the Health District removed all restrictions on the H1N1 vaccine. This means that everyone who wants the vaccine is eligible to receive it.

HOW CAN I FIND H1N1 VACCINE?

- Check with your **MEDICAL PROVIDER**. Be understanding that their supplies change daily and they may not always have the specific type of vaccine that you or your child need.
- Check with the following **PHARMACIES**. Call first to find out whether they have the kind of vaccine you need, what age groups they can vaccinate and what the cost might be.
