Health District Proposes Revisions to 2010 Environmental Health Fee Schedule

BREMERTON, WA — The Kitsap County Health District will present its revised 2010 Environmental Health Fee Schedule to the Kitsap County Board of Health at the Board's next monthly meeting in December. The District will request Board approval of the revised schedule at this meeting. The meeting is scheduled as follows:

Tuesday, December 1, 2009, 11:20 a.m. – 12:20 a.m.

First Floor Chambers Meeting Room, Norm Dicks Government Center

345 6th Street, Bremerton, WA

Although the vast majority of fees will remain the same as they are in 2009, several fees are proposed to be adjusted in 2010. Decreases are proposed for public drinking water system surveys and water status reports, and increases are proposed for administrative appeals to the Health Officer and Board of Health. Several other clarifications or housekeeping items are also proposed.

The proposed 2010 Fee Schedule can be viewed in its entirety at www.kitsapcountyhealth.com. Questions or comments can be directed to Keith Grellner at (360) 337-5284, or grellk@health.co.kitsap.wa.us.
