Environmental Health Office to Open Late on Thursday February 12

BREMERTON, WA — The Health District's Environmental Health Division will not open until 9:00 a.m. on Thursday, February 12th, due to an annual staff meeting scheduled from 8:00 a.m. to 9:00 a.m. that day. The closure affects all Environmental Health services including onsite sewage and drinking water permits, food permits, and solid waste complaints. The office will open promptly at 9:00 a.m. that day for regular business.

The Community Health Clinic and the District's administrative offices will be open at their regular 8:00 a.m. start time that day.

Please contact Keith Grellner at (360) 337-5284 for any questions related to this temporary closure.
