## REGIONAL DUTY OFFICER AFTER-HOURS CALLS

The Regional Duty Officer provides after-hours public health consultation across Kitsap, Clallam, and Jefferson Counties. After business hours --- before 8:00 a.m. or after 4:30 p.m. Monday through Friday --- or on weekends or holidays, medical professionals or agency personnel may page the Regional Duty Officer for emergency public health notifications or consultations.

Page the Regional Duty Officer at:

**(360) 415-2005**

---

*The three local public health jurisdictions in Region 2 (Clallam County Health & Human Services, Jefferson County Health & Human Services, and the Kitsap County Health District) have established a Regional Duty Officer (RDO) system as a mechanism for providing professional public health consultation across the region on a 24/7 basis. The RDO will triage after-hours requests for public health services, taking appropriate action as needed; and will receive Health Alert Network messages from the Washington State Department of Health that may necessitate activation of public health emergency response plans. Region 2 activated the RDO system in September 2004.*
